# *Welcome from The Huckfeldts —*

We extend a warm welcome to our second sale. We are proud that this sale contains only cattle that were bred, born and raised here at the ranch. They are Short-horns that have been tried and proven in our herd. They have done well for us and will do the same for others.

We were most gratified by the acceptance of our productions in our first sale last year. We want to express our sincere appreciation to every buyer, bidder and visitor that came to the sale, and hope your purchases did well for you.

In fairness to our many good customers we felt obligated to offer as strong or stronger offering in this second sale. Therefore, the entire offering is almost entirely young cattle from the heart of the herd that have their full productive years ahead of them. We sincerely believe that from end to end it is the best group of young cattle we have ever produced.

This year we are most pleased to have our good friend and neighbor, Earl Burress, join us in this second sale with a guest consignment from his good herd that he has been developing for over twenty years. His offering fits very well in this sale.

We are looking forward to seeing you on Monday, February 14 to inspect the cattle at the auction company yards at Gordon. Then we hope you will accept our invitation for a social hour with refreshments at the Dick Prusia home in Gordon at 6:30 p.m. Monday evening, followed by dinner at the Gordon Country Club. Of course, we hope to see you on Tuesday at 12:30 P.M. for the sale.

Cordially,

*Joe Huckfeldt*

## *Social Hour and Dinner*

The Huckfeldts invite you to be their guests at a Social Hour and Dinner on Monday evening, February 14. The Social Hour with refreshments will be held at the home of Mr. and Mrs. Dick Prusia, 610 Fairview Drive, in Gordon from 6:00 to 7:00 p.m., after which dinner will be served at the Gordon Country Club. Make plans to join us for the evening.

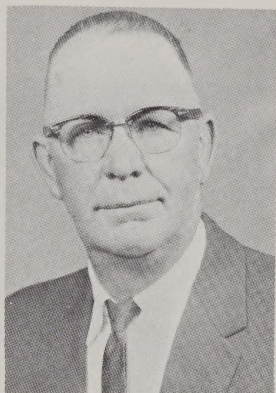

## Joe Huckfeldt's Second Sale

In 1971 Joe Huckfeldt held his first sale after building and developing the kind of Shorthorn herd he wanted to have for over forty years.

The result was that this first sale was the sensation of the 1971 sale season. Good cattlemen from a wide area came, they saw, they bought. They represented purebred breeders, ranchers and all beef breeds.

The reason was that these were the kind of cattle they were looking for and could buy with confidence. Huckfeldt Shorthorns had been used before by many, had been improvers and produced superior results.

**JOE HUCKFELDT**  
1970 "Builder of the Breed"

In maintaining and developing his herd Joe Huckfeldt never lost sight of the big, growthy, good doing cattle with quality that paid their way in his early years. He insisted on maintaining size, growth and productivity in his herd while improving their quality and uniformity. He obtained the best bulls he could find regardless of where or what price. His female herd was produced on the ranch but rigidly selected accordingly.

The fact that the first sale offering from this herd was so eagerly accepted by good cattlemen was no accident. It has taken years of perseverance, hard work and the skill of a real cattleman in a hard country where nature offers no favors. Joe Huckfeldt has been a national bulwark for the Shorthorn Breed in the rugged Sandhills country of Western Nebraska and the entire Great Plains area. For this he has been deservedly honored and is highly respected by sound cattlemen everywhere.

In 1963 he was honored by the Nebraska Stockgrowers as the "Breeder of the Year" in Shorthorns.

In 1970 he was honored, nationally, by The Shorthorn World as a "Builder of the Breed."

In 1971 he was elected a "Director of the Nebraska Shorthorn Ass'n."

His sincerity, honesty, integrity, good judgment and reputation for square dealing is known wherever good Shorthorns are bred.

To meet the challenge of proven acceptance in his first sale he felt obligated to present an equally strong or stronger offering in this sale. This, I believe, everyone will agree he has done.

In this second sale Joe Huckfeldt is joined by Earl Burress a close neighbor with a guest consignment of females. Earl Burress is a good stockman who has been developing a large herd of good Shorthorns for over twenty years that are bred very much like the Huckfeldt herd. He has bought top herd bulls and selected good females so that his consignment fits naturally into this sale.

Again, this is a solid, sound offering where every animal was bred, born and raised in these two herds, thus representing real quality and uniformity from which to make your selections.

Be at Gordon on February 15. It will be an exciting day.

*Albert J. Hamann*  
Sale Manager.

**SCOTSDALE ARISTOCRAT**—This senior herd sire at six years old is still going strong, being sound, active and a sure breeder. Weighing over 2,000 lbs., he has good size, length and elevation. His proven record as a sire makes him one of the great stock bulls in the country today. He is carefully line bred to the Perth champion Calrossie Prefect whose blood has stood for size and quality for 20 years. Aristocrat is by the 1961 Royal Winter Fair Supreme Champion, Scotsdale Navarre, who matured at 2300 lbs. He was by Scotsdale Jupiter, a 1956 International Supreme Champion that weighed over a ton. Aristocrat's pedigree traces 5 times in the 4th generation to the famous Calrossie Welcome. Therefore, his record as a sire is no accident. In the last 3 years he has sired many champions and sale tops both bulls and females. In the 1971 Huckfeldt sale Aristocrat sired 8 bulls that averaged \$1154 and 14 yearling heifers that averaged \$630. IN THIS SALE HE IS THE SIRE OF 10 BULLS, 8 FEMALES AND SERVICE SIRE OF 3 FEMALES.

# STANDARD GUARANTEE

## Recommended by American Shorthorn Association

- A. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
- B. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
- C. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age, shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
- D. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
- E. In the event an animal is returned by the buyer to the seller as a non-breeder the buyer must furnish to the seller a veterinarian's certificate showing that his herd is healthy if such a certificate is required by the seller.
- F. All animals cataloged have been tested for T. B. and are clean, and have also passed a test for Brucellosis thirty days prior to the sale, or are accompanied by a Bangs Vaccination Certificate. Announcements will be made covering animals not clear from vaccination.
- G. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females showing names and record numbers of sire and dam, as well as service date.
- H. All prospective buyers should check health requirements of their states. Health certificates will be provided with each lot sold.
